Thank you for considering submitting your manuscript to the NCDHWS 2023. To ensure a smooth submission and review process, please adhere to the following guidelines. Failure to comply with these requirements may result in the desk rejection of your manuscript.

Manuscript Format:

- Papers must be submitted electronically in a searchable PDF format.
- Follow the guidelines for authors and utilize the provided LaTeX and MS Word templates available on the NCDHWS website.
- Manuscripts should adhere to the following page limits:
  - Full papers: 10-19 pages including references.
  - Short papers: 4-9 pages including references.
  - Abstracts: 1 page.
- No modifications to the provided templates are permitted.

Anonymization:

- The NCDHWS Conference review process is double-blind, meaning the names of authors, reviewers, and area chairs should not be disclosed to each other.
- Ensure proper anonymization of your manuscript before submission.

Disclosure of Domain Conflicts:

- To prevent conflicts of interest among authors, reviewers, and area chairs:
- Complete co-author information must be provided in the submission form by the deadline.
- A comprehensive and accurate list of domain conflicts must be included in the submission form.
- The author list must be finalized at the time of submission and cannot be modified afterward, except in rare cases with justified approval from the Program Chairs.

Important Notes:

- Submissions that do not adhere to the above guidelines may be subject to desk rejection.
- The accepted papers will be published in Springer CCIS series.
- Only full and short papers are indexed by Springer in e.g. Scopus, Google Scholar, ACM, DBLP, ..
- 1-page abstracts will be non-indexed and will appear at the end of the book
- Any exceptions or modifications to these guidelines must be communicated and justified to the Program Chairs for approval.

Acceptance:

- Notification of acceptance will be sent 6.2.2024
- Authors are required to make modifications for their papers based on Reviewers' comments
- After modifications, the final "Camera-Ready version" for accepted papers is submitted by 20.2.2024 via OpenReview platform

We appreciate your cooperation in ensuring a fair and rigorous review process. If you have any inquiries or need further clarification, please contact the NCDHWS Conference Program Chair mariella.sarestoniemi@oulu.fi

Thank you for your contribution to the NCDHWS Conference 2023. We look forward to receiving your submissions.
